Welcome & call to order: 7:20 p.m.

Secretary report:

- Approval of Minutes from Sept 25, 2020 as emailed out on October 20. No additions or corrections.

Treasurer report:

- Approval of Treasurer Report: \$5,071.12 in checking, 18 active members, 3 students, \$192.50 in Dr. King Scholarship Fund and \$202.50 Northern Illinois Food Bank Fund for donations. No additions or corrections.

Old Business:

- Meetings schedule:
 - November—NIU presentations will be done virtually on Wednesday, Nov. 18. The intention is to have 3 groups of 5 interns, 30 min each. No CEU certificate is needed for poster presentations; attendees are responsible for keeping the agenda for their records and on their honor for claiming continuing education credit.
- Planning/Scheduling volunteer opportunities
 - Miss Carly's—Erin has reached out, but hasn't heard back from her, yet. According to a Facebook post, she is trying to come up to code and is swamped with need. This might not be a good time for her to do a presentation. Perhaps we can do a supply/donation drive for her?
- Outreach
 - NIU student outreach—Erika did a Zoom presentation to the 428 class on September 21. There were 10 students in class and 2 emailed her to follow up.
 - Erika can now post on Facebook and will try to post the Board Bios next week. Next month we will invite people to submit photos of dishes featuring pumpkin.

New Business:

- Winter Social: not this year.
- Honoring Nancy Backeberg's 50 year membership: Erika will obtain a gift and card. Too bad we can't meet in person to have a formal presentation.

Job Opportunities: Please email our secretary with information on open positions.
